## Description :

Prsentation de l'diteurMaybe the best way to introduce this book to our audience is to quote Max Gahwyler when he read the book when it was in manuscript form: "You must publish this. It is superb!" We agree this is, truly, one of, if not the clearest, most readable books on training dressage ever written. It's just delightful! As Egon von Neindorf, a recognized master himself, says in the Foreword, "If you are not fortunate enough to be taught by Walter Zettl personally, he gives you in this book a very valuable guide to the art of classical riding. In clearly worked out and easy to understand chapters, he takes you through each step of the training stages, discusses problems that occur, and assists with competent, sensible corrections, from Beginner to

becoming a Master. With Walter Zettl's guidance, it is made possible."
