Description :

Prsentation de l'diteurThe second volume of the most exciting new book in the industry is here! ""We Are All One"" follows our cast around the fractured future-scape of America as we learn more about a world that's rapidly coming to a end. Collects EAST OF WEST #6-10Revue de presse "Like the spaghetti westerns of Sergio Leone, Hickman focuses on atmosphere and environment, with slow pacing and sudden quick-on-the-draw action, adding a touch of Lovecraftian horror and epic sci-fi for good measure... readers will want to stick around until the final shots are fired." -Booklist
