## Description :

Prsentation de l'diteurFive reasons why Hary, Ryan and Aloks lives are a complete mess:1. Theyve messed up their grades big time.2. Alok and Ryan cant stop bickering with each other.3. Hary is smitten with Neha, who happens to be his professors daughter.4. As students of IIT, theyre expected to conquer the worldsomething they know isnt likely to happen.5. They only have each other>Welcome to Five Point Someone by bestselling author Chetan Bhagat. This is not a book that will teach you how to get into IIT or even how to survive it. Quite the opposite: it describes how bad things can get if you don't think straight.Funny, dark and entertaining, Five Point Someone is the story of three friends whose measly five-point-something GPAs come in the way of everythingtheir friendship, their love lives, their future. Will they

make it? This is a new release of a previously published edition. *Revue de presse* I love the way how Hari, Alok and Ryan stick together despite their differences, as for the ending, I expected it to could have been improved I wasn't expecting such simple ending --Anurag Swain on 16 May 2015 quality of the book is very nice and the story is mind blowing became a fan of Chetan Bhagat after reading this book --Harish on 23 Apr 2015 this is a nice one by Chetan Bhagat and a very good for a new starter of Bhagat.... this product met my expectations.. the real one. a must read.... I just started Chetan Bhagat with this book and completed all his series... a great one.. --Hrishikesh Joshi on 22 Jan 2015 *Présentation de l'auteur* Five reasons why Hary, Ryan and Alok's lives are a complete mess: 1.
