**Description :** Description du produitAn explanation of the real cause and cure of disease.

Prsentation de l'diteurDr Bach reveals the vital principles that are influencing some of the more advanced members of the medical profession today and will guide medical practice in the near future.Prsentation de l'diteurDr Bach reveals the vital principles that are influencing some of the more advanced members of the medical profession today and will guide medical practice in the near future.Biographie de l'auteurDr Edward Bach studied medicine at the University College Hospital, London and, after several years, gave up his

lucrative medical career and Harley Street practice to travel the countryside in order to complete his discovery into the healing benefits of herbs and plants. One by one he found the remedies he wanted, each aimed at a particular mental state or emotion and his highly successful system of medicine is now used all over the world.
