Description :

Prsentation de l'diteurA landmark in American fiction, *Light in August* explores Faulkner's central theme: the nature of evil. Joe Christmas - a man doomed, deracinated and alone - wanders the Deep South in search of an identity, and a place in society. After killing his perverted God-fearing lover, it becomes inevitable that he is pursued by a lynch-hungry mob. Yet after the sacrifice, there is new life, a determined ray of light in Faulkner's complex and tragic world.Revue de presseNo man ever put more of his heart and soul into the written word than did William Faulkner.
