Description : Description du produitWhat I mean is, while there's no doubt that in certain matters of dress Jeeves's judgment is absolutely sound and should be followed, it seemed to me that it was getting a bit too thick if he was going to edit my face as well as my costume. No one can call me an unreasonable chappie, and many's the time I've given in like a lamb when Jeeves has voted against one of my pet suits or ties; but when it comes to a valet's staking out a claim on your upper lip you've simply got to have a bit of the good old bulldog pluck and defy the blighter.

Prsentation de l'diteurMy Man Jeeves is a collection of short stories by P. G. Wodehouse, first published in the United Kingdom in May 1919 by George Newnes.Of the eight stories in the collection, half feature the popular characters Jeeves and Bertie Wooster, while the others concern Reggie Pepper, an early prototype for Wooster.(Excerpt from Wikipedia)From AudioFileBoswell and Johnson, Watson and Holmes . . . Wooster and Jeeves? Yes, another inseparable duo, this one linked by bonds of need and comedy. Here, we find the ever cool and capable gentleman's gentleman Jeeves pulling the hapless Bertie Wooster's fat from the fire time and again in classic style. A motley clutch of buffoons accompanies Jeeves's accounts of

Wooster's misunderstandings, gaffes, and backfiring plans. This enjoyable set is performed flawlessly and with great verisimilitude by Broadway's Jeeves, Martin Jarvis. D.J.B. 2003 Audie Award Finalist AudioFile 2003, Portland, Maine-- Copyright AudioFile, Portland, Maine
Revue de presse "Wodehouse's idyllic world can never stale. He will continue to release future generations from captivity that may be more irksome than our own. He has made a world for us to live in and delight in." (Evelyn Waugh)"He exhausts superlatives" (Stephen Fry)"The Everyman edition promises to be a splendid celebration of the divine Plum" (The Independent)"The handsome bindings are only the cherry on top of what is already a cake without compare" (Evening Standard)"A handsome, collectable hardback edition" (Lynne Truss, THE TIMES)
