Description :

Prsentation de l'diteurNatural Genius: The Gifts of Asperger's Syndrome is Susan Rubinyi's story of raising her son Ben who has Asperger's Syndrome (AS), and how she has come to view his condition as a blessing. While acknowledging the challenges posed by AS, she emphasizes the extraordinary positives of her son's life and his particular gifts - his photographic memory, perfect pitch and French-English bilingual abilities.Prsentation de l'diteurNatural Genius: The Gifts of Asperger's Syndrome is Susan Rubinyi's story of raising her son Ben who has Asperger's Syndrome (AS), and how she has come to view his condition as a blessing. While acknowledging the challenges posed by AS, she emphasizes the extraordinary positives of

her son's life and his particular gifts - his photographic memory, perfect pitch and French-English bilingual abilities. Biographie de l'auteur Susan Rubinyi is the mother of a son who has Asperger's Syndrome. She also has an eclectic background in foreign language, science fiction and music. Fluent in four languages, she has worked extensively in cross-cultural areas such as language teaching, interpreting, translating and writing.

She co-edited one of the first feminist science-fiction anthologies, administered a university Women's Studies program, and has written several articles and a book on fantasy and science fiction.
