Description :

Prsentation de l'diteurSet in Viking Russia in A.D.1020, "The Plague Widow" examines a year in the life of a remote settlement under siege by a contagious outbreak. The residents of this village are so focused on shutting the outside world out, they don't think about who they're shutting themselves in with. Mixing equal parts crime, history and survival fiction, this is the most brutal NORTHLANDERS story to date!Prsentation de l'diteurSet in Viking Russia in A.D.1020, "The Plague Widow" examines a year in the life of a remote settlement under siege by a contagious outbreak.
