## Description :

Prsentation de l'diteurINTERNATIONAL BEST SELLER - TRANSLATED INTO 5 DIFFERENT LANGUAGES! Paracord Fusion Ties - Volume 2 (PFT-V2) is the second installment in the paracord fusion ties book series and another stunning achievement by author J.D. Lenzen. Like Paracord Fusion Ties - Volume 1, PFT-V2 reveals innovative and stylish ways of storing paracord for later use. So once again you'll find crisp, clear, full-color photographs (over 1,000 in all!), coupled with succinctly written, easy to follow step-by-step instructions for bracelets, straps, and key fobs, as well as medallions and other storage ties that will keep your paracord on-hand and ready for deployment. Still PFT-V2 doesn't stop there! It also provides directions for ties and techniques that represent the next level in paracording knowledge--the making of practical paracord objects.Primarily designed to provide survival and/or tactical advantages, practical paracord objects are in themselves useful. That is, they provide benefits to those who tie them, in real time;

as opposed to when they're unraveled and the cord within them used. Examples of the practical paracord objects in PFT-V2 include: Bush Sandals, Emergency Snow Goggles, No-Slip Machete Grip, Single-Cord Rock Sling, and more; including pouches, baskets, secret compartment fobs, and tactical ties. Featuring instructions for 36 awe-inspiring paracord designs (35 book ties plus an eBook Bonus Tie!), PFT-V2 is an epic step forward in the craft of fusion knotting and a must have book for anyone serious about learning paracord ties!
