Description :

Prsentation de l'diteurIt is a truth universally acknowledged that a single man in possession of a good fortune, must be in want of a wife. Jane Austen referred to Pride and Prejudice (1813), the earliest-written of her published novels, as her darling Child and generations of readers have taken it to their heart ever since. The irresistible attraction she portrays, between the sparkily independent Elizabeth Bennet and the solemnly austere Mr. Darcy, counts among the greatest, most romantic and funniest love-stories ever told.Prsentation de l'diteurIt is a truth universally acknowledged that a single man in possession of a good fortune, must be in want of a wife. Jane Austen referred to Pride and Prejudice (1813), the earliest-written of her published novels, as her darling Child and generations of readers have taken it to their heart ever since. The irresistible attraction she portrays, between the sparkily independent Elizabeth Bennet and the solemnly austere Mr.

Darcy, counts among the greatest, most romantic and funniest love-stories ever told.
