Description :

Prsentation de l'diteurSaving the Lakers: A Be the General Manager Book, by renowned author Bryant T. Jordan, is the first in Sport Seer Publishings Be the General Manager book series and is a game-changer in every sense of the word.This book could literally revolutionize the field of sports publishing by creating two entirely new genres, namely Be the General Manager books as well as Choose Your Own Ending Sports Adventure books for adults!In Saving the Lakers you the reader have the opportunity to try and convince Jim Buss to hire you as the new Lakers General Manager, draft the best available prospect (Julius Randle, Doug McDermott, etc.) use your available cap space to re-sign former Lakers or new free agents, hire a new coach,

make trades, and ultimately win the NBA championship at the end of the 2014-15 season. However, be aware that you literally have a better chance of actually playing in the NBA next season and winning Finals MVP than you do winning the NBA title on your first read-through of this book its literally that challenging! Saving the Lakers is a 244 page adventure that is not only a hilarious, fun and entertaining read but a sincere workout for your brain. Stat-geeks, moneyballers, hoops junkies, die-hard Lakers fans and casual basketball fans alike could read and re-read this book time and time again and never get bored. Its literally like a video-game on paper! Can you win the title on your first read through of this mind-bender of a book and ultimately be the one responsible for Saving the Lakers?
