Description :

Prsentation de l'diteurInspired by a tragic event - the murder of banker Edouard Stern - Régis Jauffret imagines how the story unfolds in the mind of the murderess. She had met the banker at an exclusive business dinner: together with other call girls, she was the dessert. Their love was based on sadomasochistic games, including money and firearms. Murder was the orgasmic supreme achievement. Every sentence carries her rough, tortuous and greedy personality. Severe is an explosive blend of violence, passion and crime.Revue de presse'A reflection on sex, power, money and emotions, Severe also emerges as an upsetting picture of a woman seeking absolution.' - Express 'A universal, fascinating epic story of an unusual love affair. Again, Jauffret explores the boundaries of fiction and reality.' - Inrockuptibles 'A radioactive diamond.' - Figaro 'Here everybody is guilty and a victim, manipulator and manipulated at the same time.' - Libération 'Timeless and infernal.' --Tlrama'The quality of Jauffret's language, which fluctuates between the

precise and the poetic, ensures his writing never lapses into sensationalism. Severe is a dark, often brutal, but resoundingly subtle consideration of the dynamics between love, exploitation, sex and power.' --Russell Williams, The Independent on Sunday
