## Description :

Prsentation de l'diteurSingapore Houses features top architects and designers with ideas that are stylish, contemporary, and show twenty-first century savvy. The houses in this book epitomize cutting-edge residential architecture in Singapore. they demonstrate a remarkable surge of design exploration in the city-state. Architects in Singapore are producing work with a level of refinement and sophistication that is comparable with the best in the world and one would be hard pressed to find a nation of similar size with such an abundance of accomplished young designers who have built independently.The houses include recent designs by doyens of the profession such as Sonny Chan Sau Yan, Kerry Hill and Ernesto Bedmar in addition to the firmly established "next" generation including Mok Wei Wei, Chan Soo Khian, Siew Man Kok and Richard Hassell. For those looking for new architecture or interior design ideas, Singapore Houses will surely add a unique, fresh element to their homes and projects.Revue de presse" share beautiful pictures and information about twenty six very unique houses. The book provides information about the architect as well as floorplans of each house." --Crafty Moms Share blog"Prsentation de l'diteurSingapore Houses features top architects and designers with ideas that are stylish, contemporary, and show twenty-first century
