Description :

Prsentation de l'diteurYael Azoulay does the United Nations' dirty work. From the caves of Afghanistan and the slums of Baghdad to the world's corporate boardrooms, Yael's job is to broker the secret deals that grease the wheels of superpower diplomacy and big business. When a suspicious death at the UN headquarters in Manhattan is covered up, Yael decides that the ends no longer justify the means and she goes rogue. Events quickly spiral out of control as Yael is forced on the run in the streets of New York and Geneva. Hunted by the world's intelligence and law enforcement agencies, Yael must ultimately learn that salvation means not just saving other's lives but slaying her own inner demons. A gripping journey through the secret corridors of power. The best Adam LeBor to date the world he creates is driven by the sharp edge of reality - by the raw,

brutal politi, by the monsters and desperate heroes' Alan Furst A classic, fast-paced thriller Get ready to be entertained' Olen Steinhauer Adam LeBor has done it again. Gripping and atmospheric' Charles Cumming

Revue de presse British journalist Lebor introduces brilliant and beautiful Yael Azoulay, a behind-the-scenes negotiator for the United Nations, in his gripping debut thriller, the first in a trilogy [T]hose looking for a strong heroine in the mold of Lisbeth Salander will be satisfied. (Publishers Weekly) This thriller's prologue is a small masterpiece in showing how the seemingly banal worker taking a cigarette break on a balcony can be upended into terror. The rest of the book fulfills the prologue's promise. [with] scene after scene of heart-clutching suspense Must reading. (Booklist (starred review)) A gripping and atmospheric thriller from a great writer. Yael Azoulay is a character I'm looking forward to reading about again and again. (Charles Cumming, New York Times bestselling author of The Trinity Six) A seditiously good read. (Mark Malloch-Brown, former Deputy Secretary-General of the United Nations) Adam LeBor masterfully weaves an international espionage thriller Five Stars out of Five. (Examiner) Présentation de l'auteur Yael Azoulay does the United Nations' dirty work. From the caves of Afghanistan and the slums of Baghdad to the world's corporate boardrooms, Yael's job is to broker the secret deals that grease the wheels of superpower diplomacy and big business. When a suspicious death at the UN headquarters in Manhattan is covered up, Yael decides that the ends no longer justify the means and she goes rogue.
