Biographie de l'auteur New York Times and USA Today international bestselling author, Toni Anderson, writes dark, gritty Romantic Suspense novels that have hit the and Nook Top 10, and iBooks Top 50. Her novels have won many awards. A former Marine Biologist from Britain, she inexplicably ended up in the geographical center of North America, about as far from the ocean as it is possible to get. She now lives in the Canadian prairies with her Irish husband and two children and spends most of her time complaining about the weather. Toni has no explanation for her oft-times dark imagination, and only hopes the romance makes up for it. She's addicted to reading, dogs, tea, and chocolate.
