Description : Description du produitWhen a passenger check-in desk at London's Heathrow Airport disappears in a ball of orange flame, the explosion is deemed an act of God. But which god, wonders holistic detective Dirk Gently? What god would be hanging around Heathrow trying to catch the 3:37 to Oslo? And what has this to do with Dirk's latest--and late-- client, found only this morning with his head revolving atop the hit record "Hot Potato"? Amid the hostile attentions of a stray eagle and the trauma of a very dirty refrigerator, super-sleuth Dirk Gently will once again solve the mysteries of the universe...

Prsentation de l'diteurThe second Dirk Gently book by Douglas Adams, The Long Dark Tea-Time of the Soul is a witty detective story perfect for fans of his phenomenally successful The Hitchhiker's Guide to the Galaxy.When a passenger check-in desk at Terminal Two, Heathrow Airport, shot up through the roof engulfed in a ball of orange flame, the usual people tried to claim responsibility. First the IRA, then the PLO

and the Gas Board. Even British Nuclear Fuels rushed out a statement to the effect that the situation was completely under control, that it was a one in a million chance, that there was hardly any radioactive leakage at all and that the site of the explosion would make a nice location for a day out with the kids and a picnic, before finally having to admit that it wasn't actually anything to do with them at all. No rational cause could be found for the explosion - it was simply designated an act of God. But, thinks Dirk Gently, which God? And why? What God would be hanging around Terminal Two of Heathrow Airport trying to catch the 15:37 to Oslo? A thumping good detective-ghost-horror-who dunnit-time travel-romantic-musical-comedy-epic' - The author, on Dirk Gently's Holistic Detective Agency From Publishers Weekly "The British author of the Hitchhiker trilogy and other immensely popular lunacies, Adams permits no whiff of common sense to spoil his new novel, which combines fantasy, hilarity and creeping horrors," remarked PW . Here, sleuth Dirk Gently investigates a lawyer and an advertiser who possess the soul of the god Odin. "The plot's ramifications are marvelous, bloody and irresistible." Copyright 1989 Reed Business Information, Inc. Presentation de l'auteur The second Dirk Gently book by Douglas Adams, The Long Dark Tea-Time of the Soul is a witty detective story perfect for fans of his phenomenally successful The Hitchhiker's Guide to the Galaxy.
