Description : Description du produit The Ragged Trousered Philanthropists tells the story of a group of working men who are joined one day by Owen, a journeyman-prophet with a vision of a just society. Owen's spirited attacks on the greed and dishonesty of the capitalist system rouse his fellow men from their political quietism. The Ragged Trousered Philanthropists is both a masterpiece of wit and political passion and one of the most authentic novels of English working class life ever written
