## Description :

Prsentation de l'diteurWhen Patrick Grant meets Ella, he seizes the opportunity of a new life with her. He imagines the future with his beautiful second wife by his side: the years ahead filled with all that is bright and promising. When Ella gives birth to Daniel, Patricks happiness is complete. A son at last. Patrick adores Daniel: a golden child, talented, artistic, loving. And then, when Daniel is fourteen, tragedy strikes. Without warning, Patrick and Ellas world is shattered beyond repair and Patrick is forced to re-evaluate everything: his own life, his role as husband and father, all his previous assumptions about family. Together with Ella, he is forced to embark on a voyage of discovery. He must confront uncomfortable truths about himself and about the privileged world he and his wife inhabit. This is the story of a family torn apart by conflict, suspicion and loss. It is also a story, ultimately, of redemption and forgiveness and the strength of severely-

tested family bonds.
