Description :

Prsentation de l'diteurThe day her gifted twins leave home for university, Eva climbs into bed and stays there. For seventeen years she's wanted to yell at the world, 'Stop! I want to get off'. Finally, this is her chance. Perhaps she will be able to think. Her husband Dr Brian Beaver, an astronomer who divides his time between gazing at the expanding universe, an unsatisfactory eight-year-old affair with his colleague Titania and mooching in his shed, is not happy. Who will cook dinner? Eva, he complains, is either having a breakdown or taking attention-seeking to new heights. But word of Eva's refusal to get out of bed quickly spreads. Alexander the dreadlocked white-van man arrives to help Eva dispose of all her clothes and

possessions and bring her tea and toast. Legions of fans are writing to her or gathering in the street to catch a glimpse of this 'angel'. Her mother Ruby is unsympathetic: 'She'd soon get out of bed if her arse was on fire.'

And, though the world keeps intruding, it is from the confines of her bed that Eva at last begins to understand freedom. *The Woman Who Went to Bed for a Year* is a funny and touching novel about what happens when someone stops being the person everyone wants them to be. Sue Townsend, Britain's funniest writer for over three decades, has written a brilliant novel that eviscerates modern family life. Sue Townsend is Britain's favourite comic author. Her hugely successful novels include eight *Adrian Mole* books, *The Public Confessions of a Middle-Aged Woman (Aged 55)*, *Number Ten*, *Ghost Children*, *The Queen and I* and *Queen Camilla*, all of which are highly acclaimed bestsellers. She has also written numerous well-received plays. She lives in Leicester, where she was born and grew up. *Revue de presse* 'This is one of the most marvellous books I have ever read; the characters are brilliantly drawn, the dialogue sparkling and the quality of the prose is truly breathtaking - oh, and by the way it is also hilarious - I had to stop recording on several occasions because I was laughing so much I simply couldn't continue.' --Caroline Quentin

(Narrator)'... it's very funny, with Caroline Quentin as the bonus.' --*The Guardian*'Caroline Quentin's reading... develops into a subtle and touching performance.' --*The Independent* Presentation de l'auteur The day her gifted twins leave home for university, Eva climbs into bed and stays there.
