Description :

Prsentation de l'diteurMarvellously entertaining. A cross between Brave New World and Doctor Who. Look MagazineConsidered one of the greatest dystopian thrillers ever written, Ira Levins terrifying glimpse into the future continues to fascinate readers forty years after its initial publication.Set in a seemingly perfect global society, where uniformity is the defining feature, one man leads the resistance against UniComp a central computer that has been programmed to keep every single human on the surface of the earth in check. All ethnic groups have been eugenically merged into a single race called The Family, and citizens are

continually drugged so that they can never realise their potential as human beings, but will remain pliant and cooperative With a vision as frightening as any in the history of the science fiction genre, This Perfect Day is one of Levins most haunting novels.Prsentation de l'diteurMarvellously entertaining.
